I. Seeing the Forest *And* the Trees
II. Academics in Wonderland: Seeing Wider Worlds

• The Digital Revolution
II. . . . Seeing Wider Worlds

• Academic Culture
II. . . . Seeing Wider Worlds

- The Student Research Paper
III. Applying the CIC Workshop

• The necessity of ‘local knowledge’

• From ‘big picture’ to ‘telling details’ -- & back again
IV. Alice after Wonderland

- Assessing as ‘food for thought’
- The ‘big picture’ as faculty development
- The library as lynchpin
